Opening of a Ramanuja Koota at Nanjangud -

From

The former petition was forwarded to the Commissioner for disposal and both the

That Officer reports that only 161 Sri Vaishnava travellers have received rice doles from the Chatram at Nanjangud from November 1904 to the 26th May 1907 ie nearly 2 1/2 years. that certain travellers have not

received rice dobes for various reasons particularly on account of their short stay at Nanjangud for court and other business, and that the question of opening Ramanuja Koota may be considered after taking the statistics for a further period of 6 months ~~and when the correct figure is arrived at~~. when all the courts and public offices are open.

The Sub-Division Officer is of opinion that there is no need for opening a Ramanuja Koota at Nanjangud and the Dy Comr states that until the question is decided the present practice of issuing rice dobes to the unemployment travellers may continue.

The question of funds will have also to be considered in order to open Ramanujakoota

Muzrai Secretary's Remarks.

Neither the temple nor the Chattram at Nanjangud can spare funds for an elaborate Ramanujakoota or feeding of Srivaishnavas. Rations seem to be even now given to the small number of Srivaishnavas who visit Nanjangud, and this seems quite sufficient.

The petitioners may be informed that rations are being given to bona fide Srivaishnava pilgrims to Nanjangud and that a separate Ramanujakoota or a separate Chattram for Srivaishnavas cannot be arranged for as prayed for by them owing to want of funds.

No 486/1file Dated Mysore 31st May 07

To

L. Ranganaswami Rao Esq/B.A
Secretary to Government
Mungari department.

Sir,

With reference to your official memorandum no: 519 dated 21.7.06 forwarding for opinion the petition (herewith returned) from S. Srinivasa-iengar and others praying that a Ramanujakoota for feeding Sri Vaishnava travellers may be opened at Nanjangud and subsequent reminders ending with your D.O. letter without-date received on 26.5.07 I have the honor to state that the Sub Divisional officer of Nanjangud reports in the accompanying Yadi no. 1606/960 dated the 27th May 1907 that the number of Sri Vaishnava travellers halting at Nanjangud during the 3 years 1904-05, 05-06 and 06-07 being very small there is no need for opening a Ramanuja Koota

Kodā at Nanjangud.

2. A reference to the enclosed statement showing the number of Sri Vaishnava Brahman travellers who have received rice doles from the Chattram at Nanjangud from November 1906 to the 26th January 1907 shows that 161 Sri Vaishnava brahman travellers have received rice doles. This is rather a poor figure and am afraid not a correct data upon which too much reliance can be placed as it is possible that all the Sri Vaishnava Brahman travellers visiting Nanjangud have not received the rice doles from the Chattram for various reasons and particularly on account of the inconvenience and trouble they would be put to in cooking rice during their short sojourn at Nanjangud for court and other business. In view

to

to arrive at a correct figure it is necessary that the number of Sri Vaishnava Brahman travellers visiting Ranjangud should be carefully watched for a further period of 6 months when all the courts and public offices are open and after gauging the approximate number of travellers the question of opening a Ramanuja Koota may be considered. Till then the present practice of issuing rice doles to the Sri Vaishnava travellers may however continue

I have the honor to be,
Sir,
your most obedient
servant
